ACHEIVEMENTS

HackAustin 2017 Participant
3.4 GPA at SELU
4.0 GPA at ACC
Google Challenge Scholarship
Recipient 2018

WORK

RELIEF MANAGER • PUBLIC STORAGE • SEP 2017 - CURRENT

Responsibilities include monitoring grounds, renting storage spaces to customers, entering payments and maintain customer accounts, generating reports, tracking stores' financial and business goals per period.

ESL TEACHER • CHINA/LA/TX • 2014-2017

Between graduating university and beginning my studies at ACC, I worked as a teacher of English as a second language, teaching in mainland China, my home state of Louisiana, and in Austin. Duties included preparing lessons, classroom management, meeting with teachers and administrators, and accessing student needs in the classroom.

EDUCATION

AS CIS WEB DEVELOPMENT • S2019 • AUSTIN COMMUNITY COLLEGE (ACC)

More intensive alternative to the traditional CIS development track designed for those who are not intending to transfer into a four-year program immediately upon completion.

BA SOCIOLOGY • S 2014 • SOUTHEASTERN LOUISIANA UNIVERSITY (SELU)

Held several leadership positions within the Southeastern Sociological Society and Phi Mu Alpha Sinfonia Music Fraternity. Active member of school community and music department. Volunteer experience through fraternity philanthropy missions. One semester as a visiting scholar to UT Austin.

**Summary of projects can be found on my website.
